EVENT DONATION | ADMIN WORKFLOW

One-page operating guide • QR donations • Temple counter • Admin adjustments

1 QR CODE / PUBLIC FORM

Donor selects a payment method

Pay at Temple | Bank Transfer | Online Payment

After submission

Pay at Temple / Bank Transfer: action email sent with next steps; coordinator copied (CC).
Online Payment: payment processed online; receipt issued immediately; coordinator CC.

Next action

Temple: donor visits counter with reference / transaction number. Bank: donor transfers funds and sends payment notification.

2 TEMPLE COUNTER

Existing pending transaction

Search Pending Transactions using reference or transaction number; collect / verify payment, then complete the applicable transaction.

New counter transaction

Enter donor details and payment amount.
Receive cash or process the counter payment.
Complete transaction; receipt sent automatically.

Cash control

Reconcile cash in till against the amount shown in the Settlement view.

3 ADMIN PANEL

Administrative entry

Admin can record cash and bank-transfer transactions directly in the event portal.

Settlement adjustments

Admin can make permitted settlement adjustments and correct recorded entries.

Bank-transfer rule

Bank transfers stay PENDING until payment is confirmed / reconciled. Do not mark as paid based only on the donor notification.
