DONOR DETAILS / SCREEN REFERENCE

Full Name

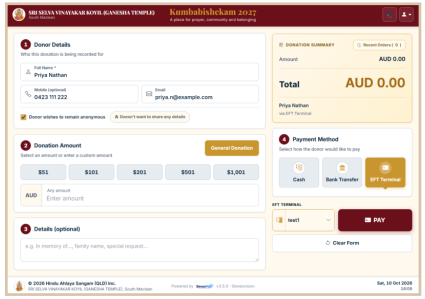

Always required. Check spelling before saving.

Mobile / Email

Optional if the devotee wishes to share. Confirm the email aloud.

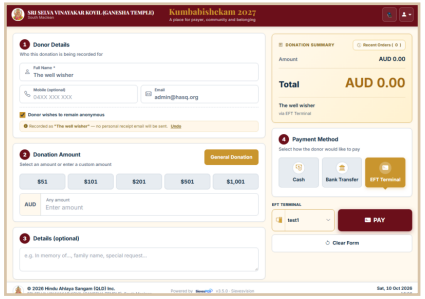

IF THE DONOR WANTS TO STAY ANONYMOUS

Ask first: "Would it be okay if we kept your name and email privately, just for our records and your receipt?"

A Yes — details kept privately

Fill in the devotee's real details, then tick "Donor wishes to remain anonymous." Hidden from anything public; still on file and still gets a receipt.

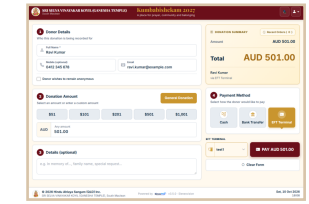

B No — won't share anything

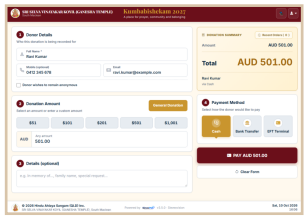

Tick anonymous, then tap "Doesn't want to share any details." Fills in The well wisher / admin@hasq.org and locks the fields.

3 ENTER THE AMOUNT & SELECT A PAYMENT METHOD

Choose a preset amount or type a custom amount. Select Cash, EFT Terminal or Bank Transfer.

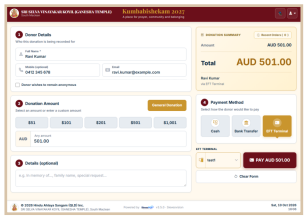

CASH / PAY

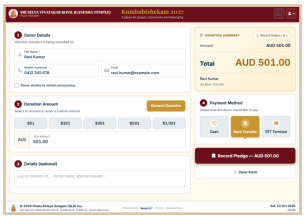

Tap PAY. Count cash, verify the amount, and put it into the designated drawer or envelope. Receipt issued immediately.

EFT TERMINAL / PAY

Tap PAY, hand over the terminal and wait for Approved. The receipt is sent automatically.

BANK TRANSFER / PLEDGE

Tap Record Pledge, not PAY. Admin confirms after funds clear; only then is the confirmation email and receipt sent.

AFTER SAVING: The form clears automatically and is ready for the next devotee.
